

Peninsula Bay Youth Water Polo SPRING League 2008

Coaches we are pleased to host the 2008 Spring Youth water polo league in the Peninsula Bay. We are dedicated in supporting and building water polo for boys and girls in the Peninsula Bay and the surrounding area. We hope you will join us again and bring on new clubs to help build a higher level of water polo for our league.

Levels

I This level is designed for athletes that are new to the sport and are inexperienced to water polo (beginner to intermediate). You may have boys or girls of any age 8th grade and under. Please use your best judgment to field this level.

II Level II is designed for intermediate to advance water polo athletes who have a higher skill level in the sport. These athletes have learned the game at a faster pace and have experience to play at a higher level. Please use your best judgment as you field this level with boys and girls 8th grade and under. (All boys, all girls and/or coed)

Cost: \$150 per team to enter PBYWPL (Due by February 15th). Checks made payable to SOLO
